Going Above and Beyond Our Clients' Expectations

The Integration of Business and Technology

Stargel Office Solutions was founded in 1987 and is the largest independent office equipment and services dealer in Houston. Through the integration of award-winning office automation products and a wide spectrum of document management systems, we are able to provide customized solutions that streamline every phase of the document life cycle.

Our partnerships with leading manufacturers such as Toshiba, Xerox, Kip, Océ, Lexmark and HP offer the best of both worlds; a highly responsive locally-owned company for sales and service, as well as organizational and technological resources. Our software partners include some of the world's most respected product names such as DocuWare, PaperCut and Drive. The document production world is ever evolving and we are leading the way.

Superior Service and Support

RESPONSIVE, PROFESSIONAL, KNOWLEDGEABLE

Stargel is committed to providing world-class customer service to all of our customers. We understand that advanced technology alone is not enough to ensure productivity in your office; it also requires responsive and professional support. Our highly trained professionals have a specialized knowledge for providing pro-active, personalized service. We see ourselves as our clients' trusted partners in the area of document creation, production and management. Through experience, we have learned what it takes to provide our customers with solutions that meet today's complex document workflow demands while preparing them for tomorrow's challenges.

Solutions that Maximize Savings and Productivity

Unlimited Free Training

Training is provided by our dedicated training staff and is available throughout the course of your contract.

Remote Monitoring

Spend less time managing your devices and free up your resources with remote meter reads, firmware updates and toner alerts to trigger automatic supplies deliveries.
