Dear Supporters,

Habitat for Humanity is thankful for your generous In-Kind contribution of the Toshiba E-Studio4515AC printer received on 6/5/2026!

Your generosity is changing lives right here in our community. Because of supporters like you, Williamson County Habitat for Humanity is able to provide opportunities for homeownership and affordable home repairs — helping local families move forward toward self-reliance, financial independence, and brighter futures. You didn't have to give, and the fact that you did reminds us every day why we do this work.

One of the families we've had the privilege of serving wanted us to share these words with you: "Your willingness to serve reflects a rare kindness and devotion. With deepest gratitude, I offer my heartfelt thanks for the generous gift of your time, effort, and care. I truly believe you are called by God to carry out his extraordinary work. Please accept my sincere appreciation for all you have done." - *Home Repair Program Client*

We could not say it better ourselves. From the bottom of our hearts — thank you. Your kindness will not be forgotten, and we are so grateful to have you in our corner.

If you'd like to learn more about our Georgetown ReStore or get involved as a volunteer to help build or repair homes, please contact our Marketing & Development Coordinator, Emily Wallace at 512-863-4344 or emilyw@willamsonhabitat.org.

With sincere appreciation,

Philip Golden, Executive Director
